Summary

Currently pursuing my B.Tech in Computer Science and Engineering, I am on track to graduate in 2028. My academic journey is focused on gaining a robust understanding of computer science principles and their practical applications. Eager to apply my knowledge and skills in real-world scenarios, I am actively seeking opportunities to contribute to innovative projects and gain hands-on experience in the tech industry. I am particularly interested in developing my skills and expertise in software development, solving real world problem using IOT and technology etc.

Experience

Feb 2026 - PRESENT	● Founder NagrikAI Selected by Innovation Hub AKTU to showcase startup Nagrik AI at the AI Manthan 2026 exhibition. Received a Certificate of Appreciation from the Honorable Governor of Uttar Pradesh for presenting the startup and its innovation.
Jul 2026 - PRESENT	● Co-Founder SwaDrive Designed the product roadmap, business model, and user experience from concept to MVP.
May 2026 - PRESENT	● Trainer Workshop Organizer & Trainer Trained 200+ students on showcasing projects and skills effectively. You can check my work at https://krishna-shrivastav.github.io/Portfolio/#workshops

Education

2023 - 2024	● Central Hindu School ,Gorakhpur Intermediate • Science • Computer Science And Engineering Percentage - 85%	
2024 - 2028	● KIPM College of Engineering & Technology, Gorakhpur Graduation • B.Tech/BE (Bachelor Of Technology/Bachelor Of Engineering)	• Artificial Intelligence

Certification

Certificate of Appreciation Awardee, AI Manthan 2026 (AKTU)

[Certificate Link](#)

Successfully showcased Nagrik AI among top startups selected by the Innovation Hub AKTU. Received this prestigious certification directly from the Governor of UP([Smt. Anandiben Patel](#)).

Latest Trends in IT Industry – Certificate of Participation DigiCoders Technologies Pvt. Ltd. | 2025

Demonstrated strong understanding by securing 10/10 in the assessment.
Improved industry awareness and technological adaptability

TATA Crucible Quiz Participation (2025)

[Certificate Link](#)

Selected to participate in the TATA Crucible Campus Quiz 2025, a prestigious national-level business quiz organized by the Tata Group.

Participant – AICTE HEIs Engagement AI Pre-Summit (IndiaAI Impact Summit 2026)

[Certificate Link](#)

Contributed to the IndiaAI Impact Summit 2026 pre-summit engagement, focused on innovation and AI-driven solutions shaping the future of the IndiaAI Mission.

Certificate of Excellence – Logic League (Top Performer)

[Certificate Link](#)

Recognized as a Top Performer in Logic League (Week 3), organized by Tech-A-Thon on Unstoppable for strong logical reasoning and problem-solving skills.

AI Innovator | India AI Impact Buildathon 2026

[Certificate Link](#)

Selected to compete in a national-level AI hackathon organized by GUVI and HCL. Demonstrated technical curiosity and initiative by developing AI-driven solutions addressing real-world national problems among 40,000+ participants.

Certificate of participation

[Certificate Link](#)

Participated in BizQuest at Provista’25, organized by Sankalp – The Management Society of Aryabhatta College, showcasing analytical reasoning and strategic problem-solving skills on Unstoppable.

AICTE IDE Bootcamp Certification

[Certificate Link](#)

Selected for a 5-day IDE Bootcamp organized by AICTE and awarded a certificate for participation in innovation, design thinking, and entrepreneurship training.

Skills

- C Programming Language
 - HTML
 - Management Skills
 - Objectivity
 - Python Scientific Libraries (NumPy, SciPy, Pandas)
- IOT
 - MERN Stack Developer
 - Web Development
 - Entrepreneurship

Projects

1.SwaDrive

[🔗 Project Link](#)

This is a platform where mechanics can repair vehicles that break down on the roadside, and if you need to get your vehicles serviced from the comfort of your home, you can do it through this.

2.PathSense

[🔗 Project Link](#)

Developed an IoT-based smart cane with obstacle detection using ultrasonic sensors. Integrated GPS tracking, audio alerts, and vibration feedback for safe navigation. Designed an affordable assistive solution for visually impaired users.

3.AirDraw

[🔗 Project Link](#)

Built Air Draw, a gesture-controlled drawing web app.
Implemented real-time hand-gesture detection for actions like draw, color-change, and clear.

4.House Price Prediction

Developed a machine-learning-based house price prediction system that uses data preprocessing, feature engineering, and regression models to accurately forecast property values, allowing users to predict prices by entering key house details (e.g., area, rooms, location) using Python and scikit-learn.

Achievements

1→Selected for India AI Impact Summit 2026 Startup: NagrikAI

- Built an AI-powered civic-tech platform that helps citizens and startups discover and access government schemes, eligibility, and services in multiple languages with AI-based form auto-fill to simplify government applications and reduce manual effort.
- [Selected for India AI Impact Summit 2026](#) to showcase the innovation and impact of the platform.

2→🏆 1st Prize – District-Level Innovation Exhibition (Senior Category){2025}

Awarded 1st Prize (Senior Category) at a District-Level Innovation Exhibition, recognizing excellence in innovation, problem-solving, and technical presentation.

3→🏆 Rank 2 – CodeSummit 2.0 (Round 1)

Secured Rank 2 in Round 1 of CodeSummit 2.0 organized by D.Y. Patil RAIT, showcasing strong problem-solving and logical reasoning skills.

4→BizQuest – Provista’25

Achieved recognition for contributing innovative solutions during BizQuest – Provista’25, enhancing business analysis and strategic decision-making skills in a national-level management competition hosted by Aryabhatta College, Delhi University.

5→Consolation Prize – District-Level Innovation Exhibition {2026}

Awarded Consolation Prize at the District-Level Innovation Exhibition for demonstrating creativity, technical understanding, and practical innovation.

6→NagrikAI Selected for AI Manthan 2026 Startup Showcase (AKTU)

My startups NagrikAI selected for the AI Manthan 2026 startup showcase at Dr. A.P.J. Abdul Kalam Technical University (AKTU), Uttar Pradesh that’s held on 27–28 January 2026 in the presence of Honorable Governor of Uttar Pradesh([Anandiben Patel](#)) .

7→Digi{Coders}

- (In Top-5)Successfully completed the Latest Trends in IT Industry program by DigiCoders Technologies Pvt. Ltd. and achieved a perfect score of 10/10 in the assessment, showcasing excellent grasp of emerging technologies and IT trends.

8→🏆 Winner – Ideathon (ThinkSprint 2026)Evolvera Club, KIPM

Secured 1st place for presenting an innovative technology solution demonstrating creativity, problem-solving, and technical skills.

9→Top 5 Finalist, HackIndia Web3 & AI Hackathon

Achieved 5th rank overall out of numerous teams across India. Collaborated with team 'techMiners' to brainstorm, build, and present cutting-edge Web3/AI solutions, recognized by the Founder of CSharp Inc.

10→Winner, Escape Treasure Hunt – Evolvera Club (2026)

Achieved 1st place in a competitive problem-solving and challenge.

Responsibility

1.Trinetra Technical Society

Sponsorship Team (Member)

2.Indian Institute of Technology- E cell, Banaras Hindu University (IIT - BHU)

Campus Ambassador

Selected as a Campus Ambassador for E-Cell IIT (BHU) Varanasi, promoting entrepreneurship, student engagement, and startup initiatives through workshops and outreach activities.

4.NIFTEM–Kundli

Campus Student Ambassador
